

Der 13te Krieger [DVD, 0030]

Date: 2005-08-21 13:43:50

In AD 922, Arab courtier Ahmad Ibn Fadlan accompanies a party of Vikings to the barbaric North. Ibn Fadlan is appalled by the Vikings customs-- their wanton sexuality, their disregard for cleanliness, their cold-blooded human sacrifices. And then he learns the horrifying truth: he has been enlisted to combat a terror that slaughters the Vikings and devours their flesh.
